

**Parking Options for
Students and Faculty at
Akron Children's Hospital Main Campus**

Akron Children's Hospital is unable to provide on-site parking to nursing students as it creates a deficit of spaces campus-wide which greatly affects our patient and family parking.

There are two viable options available to the students. The first is the O'Neil's Parking Deck located adjacent to the Akron Children's Campus on State Street and is owned and operated by the City of Akron. The rates are free for the first hour and \$1.00 every half-hour thereafter, to a maximum of \$6.25 per day. The second option is a city owned and operated surface parking lot located at the corner of Bowery and Water Streets – the Bowery Water Lot which is directly behind the Akron Civic Theatre. The rate is \$2.50 per day, however there is limited daily parking availability. Security will provide a personal escort by dialing 330-543-8182.
