Our center evaluates and initiates treatment for children of suspected physical or sexual abuse and neglect. We have a team of doctors, nurses and social workers who see children and teens referred by private physicians, law enforcement agencies, child protection agencies and other community agencies. We also provide consultation when abuse is suspected for a child on an inpatient unit.

Our team includes developmental-behavioral pediatricians, nurse practitioners, nurses, social workers and patient service representatives. We also work closely with other pediatric specialists as needed, such as child neurologists and psychologists, as well as with schools, preschools and other agencies involved with developmental care and education.

From free valet parking to spacious patient rooms, we focus on providing as much comfort and organization as possible to your child and family during an otherwise stressful time.

We also have 4 different treatment areas to help streamline emergency care:
- 20-room main emergency area
- 11-room fast track area for minor illnesses and injuries
- 3-room trauma bay
- 5-bed behavioral health ER
