Our center evaluates and initiates treatment for children of suspected physical or sexual abuse and neglect. We have a team of doctors, nurses and social workers who see children and teens referred by private physicians, law enforcement agencies, child protection agencies and other community agencies. We also provide consultation when abuse is suspected for a child on an inpatient unit.

We have a team of physicians and nurses who specialize in the sedation of children. Sedation is a medicine that makes children more relaxed and safe during medical procedures, which may be stressful, painful or require them to hold still.

Tests and procedures where pediatric sedation may be appropriate include radiology exams, botox injections, nerve blocks, lumbar punctures, biopsies, hearing tests and removal of stitches.
