To request a copy of your medical record or your child’s record for personal use, please fax or mail our authorization form or a handwritten request.

Our staff will contact you before your child’s appointment to help prepare his or her records in advance and reduce registration time on the day of service.

Admitting and ER registration are open 24 hours, 7 days a week.

Our volunteers range from age 16 up to 100. They generously donate their time and service to help support our mission to provide the best possible care to children and their families.

Preparation and knowledge are the keys to a healthy adoption. That’s why we provide ongoing advice and support about issues related to domestic, international and special-needs adoptions including pre-adoption counseling and post-adoption consultation.
