

Care for cuts

Where to go for stitches

When your child has a cut that needs stitches, it's important to go to the right place for care. Choose Akron Children's Urgent Care for small, simple cuts on your child's body. Urgent Care providers can evaluate all cuts, but you may be sent to the ER based on the wound's location and size.

Go to the Emergency Room

Go to Urgent Care

* Cuts inside the mouth go to Urgent Care, outside the mouth go to ER.
