

The Women's Board of Akron Children's is pleased to present our 9th annual **Celebrate the Plate**, a fundraiser that benefits Akron Children's. We are excited this year to offer the opportunity to support by sponsoring this event to be held from Wednesday, May 1st to Friday, May 31st, 2024. The event depends on each host and can range from a delicious and entertaining evening for cocktails or dinner, tennis or pickleball round robins, a bowling or golf party, or any other activity one may want to host. Sponsorships may be purchased by individuals or corporations and the money raised will allow the Women's Board the opportunity to provide support where it is most needed by the patients we serve.

As a result of our commitment, Akron Children's ranks among the top pediatric facilities in the nation. The Women's Board of Akron Children's has been an integral part of the hospital's success since its founding in 1890. By raising over \$15 million dollars in the past 20 years, the Women's Board has provided important financial support to fund new initiatives or areas of greatest need. All monies made go directly back to the Hospital for patient care and support. Your help with this event enables the Women's Board to continue to provide support for Akron Children's mission to provide medical care to all children and burn victims in our community regardless of their ability to pay.

The **Celebrate the Plate** Committee is hard at work planning a spectacular event. We would appreciate your consideration of sponsorship for this year's event. For questions or to discuss sponsorship opportunities, please contact our event Chair, Laurice Moore at achwomensboard.org

Sincerely,

Laurice Moore
