

# Where to go for care when your child is sick or injured

## Primary Care

- Akron Children's Pediatrics offers same-day sick visits in the office, plus e-visits and virtual visits through MyChart.

The following care options are available to any kids, not just Akron Children's patients.

## Quick Care Online

- Virtual visits are available for common issues including cough, cold, allergies, rash, diarrhea, vomiting and sore throat.

## In-Person Quick Care

- When your child's provider isn't available, choose Quick Care for treating cough, cold, flu, earaches, nausea, minor cuts and stomach pain.

## Urgent Care

- For injuries and illnesses that aren't life-threatening – such as earache, cough, nausea, sprains and strains, colds and flu, tick removal or insect bites.

## Emergency Room

- For severe injuries and illness including major burns, asthma attacks and trouble breathing, deep cuts, head injuries, obvious broken bones, poisoning or a swallowed object.
