

February 2025

Dear Akron Children's patient family,

If you haven't heard the news, we're moving!

To prepare for our move, we will be closed for a few days in April and will reopen in our new office located at 3778 Medina Road, Medina, OH 44256 on Tuesday, April 15.

Located on the Summa Health Medina Medical Center campus, the new Akron Children's Medina Health Center will centralize our pediatrics office, rehabilitative services and specialty care in one location with convenient parking and a bright, inviting space for families.

If you have questions or if your child needs rehabilitative services or specialty care while we are closed during our move, please contact us. Here are the services that are moving, along with important dates and contact information.
