

Walk for Babies

Walk for Babies, powered by Kaulig Giving, is an annual event that brings families and community members together to raise money for Akron Children's neonatal intensive care unit (NICU). Since the event began it has raised more than \$1.6 million for the Akron Children's NICU. One hundred percent of funds raised during the event go to Akron Children's to help fund multiple initiatives in the NICU and to enhance the family-centered care it provides.
