Presented by the
Women's Board of
Akron Children's

Letter from the President and CEO

On behalf of our entire team at Akron Children's, I want to welcome you to the 32nd annual lighting of the Children's Tree of Lights. Thank you for joining us this evening and helping celebrate this longtime tradition.

Spending the holiday season in the hospital is not on any child's wish list, but if they need to be here we want to try and bring a little joy and normalcy to the lives of our patients and their families. Thanks to everyone who donated lights for our tree so we can spread some holiday cheer throughout the hospital. The Children's Tree stands as a symbol of our belief in hope, faith and renewed life. Year after year, its lights shine brightly and remind us of those we love and cherish. We are very grateful for this wonderful gift of support for our patients, families, visitors and staff.

A special thanks to all of our Women's Board members who organize this event and work tirelessly throughout the year to support our mission. Your service each day has a huge positive impact on the lives of many.

I wish each of you and your loved ones and friends, a wonderful holiday season and a healthy, happy new year!

Christopher Gessner
President and Chief Executive Officer

Welcome

The Women's Board of Akron Children's welcomes you to the 32nd lighting of the Children's Tree of Lights. The blue and white lights on the tree are donated as a celebration, an honor, or a remembrance of loved ones. The tree lights continue to sparkle and shine throughout all the holidays of this season, reminding us that in the dark winter there is always hope and light.

This year Mary's daughter, Jennifer Briggs Jenkins, and her husband, Jared Jenkins, as well as Rob and Alyssa Briggs, honor the memory of Mary Briggs, by being our Bambino Sponsor for the Children's Tree of Lights. Additional fundraising efforts were organized to add to this sponsorship. Mary Briggs was an active member of the Women's Board for 41 years and chair of the 2003 Children's Tree of Lights committee. The Children's Tree of Lights was a very special event for Mary.

To our guests, thank you for coming to tonight's special event and helping us remember our loved ones, while also bringing joy to our patients and the Akron Children's family. On behalf of the Women's Board of Akron Children's, we wish you and your family the very best this holiday season and always.

Bambino Dedication

In Loving Memory
of Mary Briggs,
Akron Children's
Women's Board
Member
1944 – 2024

Dedication by Jennifer Briggs Jenkins, daughter of Mary, and her husband Jared Jenkins, and the Rob and Alyssa Briggs Fund with added sponsorship coordinated by Mary's good friend, Susan Flowers.

Mary was gracious, kind and loving but also fierce. She was a true leader and a champion for children. Mary was a member of the Women's Board of Akron Children's from 1983-2024, where she especially loved working on the Charity Ball and the annual spring plant sale. For 32 years, Mary served on and chaired numerous Charity Ball committees and sat on both the Women's Board Executive Committee and the Board of Trustees. Mary was so proud of the impact the Women's Board had on the hospital and the many contributions made by the board.

Mary also served as an active member of The Junior League of Akron, where she previously served as president of the league. She was instrumental in the creation of the Akron training program to create effective team members and leaders. She was active in the League's involvement with Morley Health Center and helped develop Junior Leadership Akron for area high schoolers. Mary was also an active member of Leadership Akron, receiving the Distinguished Leader Award. As a strong advocate for the most vulnerable children in

our community, Mary transferred that advocacy into service to Child Guidance and Family Solutions. Upon learning that the organization needed help with wrap-around and preventative services, she gathered a group of more than 100 powerful women and began a women's board for Child Guidance. With the support of the women judges in Akron, this group wrote a program for divorcing parents called, "Remember the Children," which is still required today for

every divorcing parent in Summit County. Mary believed in our connection with nature and each other and in love. Mary passed away on March 24, 2024. She loved her family, friends and community, and she was a true asset to Akron Children's. We honor Mary's memory. Her love, especially for the children of this community, carries on.

Our 2025 Tree Lighters

Rula Robinson, 22 months old

Rula is a joyful and resilient 22-month-old girl, who loves to play her piano, share giggles during tickle time and visit her favorite nurses on 7 Surgical. She adores her sisters — Arabella, Theia and Layla — and lights up every room she enters. Though she faces challenges with epilepsy and more, Rula's bright spirit and beautiful smile remind everyone what true joy looks like.

Donald "Dewey" White III, 18 years old

Dewey is an 18-year-old young man, who was admitted and has been a patient in the hospital for 5 months following an ATV accident. Dewey has worked tirelessly to gain his strength back. Although he has faced many obstacles, he has shown resilience through all his hardships. He enjoys spending time with his family, playing UNO, listening to music and watching the Pittsburgh Steelers. He is looking forward to the day that he can return home, but until then, he'll continue to enjoy making the world more beautiful with the help from Expressive Therapy, as they encourage his creativity through art and music.

The Children's Tree of Lights Committee is thrilled to have Rula and Dewey flip the magic switch to light up our Children's tree this year.

We wish them the very best of health and happiness!

The Women's Board Mission Statement

As the founding entity of Akron Children's, the Women's Board is dedicated to the support, protection, and welfare of children by working to enhance community involvement, increase advocacy, and raise funds for the hospital.

The Children's Tree of Lights

The first Children's Tree of Lights lit 32 years ago in Perkins Square Park.

Celebrating 32 Years of the Children's Tree of Lights and Remembering Nancy Heslop

As we celebrate this 32-year anniversary, we want to give special acknowledgement to Associate Women's Board Member Nancy Heslop, who was the first Chair of the Children's Tree of Lights in 1994.

From Nancy's own words, "In 1993, Margie Brideweser, Judy Holder, and I had a vision that a Children's Tree of Lights may make a wonderful project for the Women's Board. A year and a half later, after many consultations with tree and lighting experts, the Women's Board witnessed the planting of a 30-foot spruce, weighing 20,000 pounds, in Perkins Square Park. This tree, adorned with lights and our hospital Bambino on top, became our Children's Tree of Lights for patients, families and the city of Akron to enjoy. In the many years I served on the Akron Children's Women's Board, this was one of the sweetest and dearest projects I have ever worked on. I am honored to have been such an integral part of the living treasure of the Children's Tree of Lights.

The Spirit of the Children's Tree of Lights belongs to everyone who has a connection to our dear Akron Children's. In celebration of our beloved Children's Tree, we can put down our burdens and lift up our hearts."
(Nancy and John Heslop)

Sadly, Nancy and John passed away in November and will be dearly missed for all that they have given to the Akron Children's community through the vision to make the first Children's Tree of Lights a reality. Thanks to Nancy's leadership, we have been able to lift up our hearts in honor and remembrance of loved ones, and in hope and joy during the holiday season for the past 32 years.

The symbol of Akron Children's Hospital — the Bambino — rests at the top of the Children's Tree. The infant wrapped in swaddling first appeared in 1911 on a bronze tablet that hung in the hospital as a memorial tribute to Colonel Perkins for his service and generosity to children in need. Over the Bambino's head was the inscription "fides, spes, charitis" — faith, hope, and charity.
