

Akron Children's Charity Care/Financial Assistance Policy will include/recognize balances for patient care services provided by the hospital and any hospital-employed providers, including anesthesia and Akron Children's owned transport services.

Although Akron Children's credentials/approves providers who are not employed by Akron Children's to see patients at our hospital locations, the services received from those providers are not covered by the hospital's financial assistance policy. Following is a list of providers whose fees are excluded from Akron Children's financial assistance policy:
