- 99) Think of 10 more healthy coping skills and add them to this list

These are just suggestions – you may find some that you really like or some that don't help at all. Try enough of them until you have a list of at least 10-15 solid coping skills that you can turn to in times of crisis. Then do them even if you don't want to!

*Recognize warning signs and use self-control skills to de-escalate the situation

*Identify triggers and plan out how to respond ahead of time.

*Remember the difference between reacting vs. responding.

*Reminder: it is human to have stress. It is what you do with it that counts!
