

COVID-19 Resource Donation Information

Thank you for generously wanting to support Akron Children's Hospital with your kind donations and your willingness to use your talents to sew masks. Thanks also to manufacturers and suppliers in the community who are willing to help us source items.

If you have items such as gloves, wipes, hand sanitizer, masks (including handmade), gowns, etc. to donate, please email covid.resources@akronchildrens.org with the following information:

- Name and/or Organization
- Address
- Phone
- Email
- Items and quantities being donated

This will help our teams be ready to receive it and give you documentation for tax donation purposes.

All donations can be personally delivered or shipped to:

Akron Children's Hospital
ATTN: Leanne Johnson #2104
215 W. Bowery Street
Akron, OH 44308

The delivery dock is located on the corner of Bowery and State Street and the hours of operation are: 6:30 a.m. - 4 p.m. Monday-Friday.

We truly appreciate your thoughtfulness to Akron Children's Hospital and for helping ensure the safety and wellbeing of our healthcare teams so that we can continue to provide care to the children within our local communities during this challenging time.

Thank you,

The COVID Resources Team
Akron Children's Hospital

*Businesses who are manufacturing items such as face shields or that have PPE inventory for purchase, please provide a spec sheet and pricing information and our purchasing department will reach out to you directly to purchase items that we may need.
