

Use our Mobile App to Connect with Akron Children's

With our Doc Web App, you can:

- Search our provider directory by name or specialty
- Find locations by city or specialty
- Use the phone number link to place a call
- Easily connect to admitting and provider resources

How to add the Doc Web App to your mobile device:

1. **Open** your web browser and go to <https://dwa.akronchildrens.org>
2. **From inside the Doc Web App**
 1. On Apple devices: **Tap** the up arrow icon at the bottom of the screen
 2. On Android devices: **Tap** the 3 vertical dots icon
3. **Scroll or swipe** through options – **Tap** “Add to Home Screen”
4. **Enter** a name: Use the **APP** name that appears or **enter** a new name
5. **Click** the icon on your home screen to open the app

Many physicians entrust their young patients to Akron Children's. Our healthcare professionals partner with referring physicians and hospitals to offer access to a range of pediatric services, from providing hospitalists for inpatients to rehabilitative support from our speech, physical and occupational therapies, to the safe and speedy services of our transport team.
