LEADERSHIP & ACTIVITIES

August 2017 – present

Epic Medical Lead for Akron Children’s Hospital Pediatrics

- *The purpose of this role is to implement changes within the electronic medical record (Epic) that work to improve provider efficiency and to create an environment that promotes and reinforces best medical practice and quality improvement. Through this role, I have helped to plan and present Advanced Provider Training for the primary care physicians; reviewed multiple SmartSets; worked to optimize the use of the widescreen view for primary care; reviewed and revised the Akron Children’s Hospital Pediatrics/ Locust Pediatrics preference list; and collaborated with primary care leadership in quality improvement projects involving increasing the rate of HPV vaccination, increasing rates of completion of well child visits, and improving asthma and obesity care.*

January 2017 – present

Physician Champion, Adolescent Depression Screening

November 2015 – present

Physician Champion, Easy Breathing Program

January 2014 – present

Lead Provider, Akron Children’s Hospital Pediatrics—Alliance

COMMITTEE WORK

November 2017 – present
